- Cosmetic dentistry
- Implants
- Dentures
- White fillings

To see our full range of services, visit our website at www.dentalexcel.com.au

We offer a range of payment options including *Afterpay, ZipPay and National Dental Plan- 'No Interest Ever'*

Veterans Affairs

Medicare Child Dental Scheme for eligible 2-17 year old's

What to expect at your child's first dental visit

We want your child to have a positive first experience at the dentist. Knowing what to expect can help prepare both child and parent for their first visit to the dental office.

Depending on your child's age, the visit may include a full exam of the teeth, jaws, bite, gums, and oral tissues to check growth and development. If needed, your child may also have a gentle cleaning and polishing of the teeth.

Attendance at an early age is good to get your child used to us all. Two years of age is good for your child's first visit.

Our practice has just undergone renovations and you will find reception is light, airy & more spacious for your comfort.

HIFU... The latest non-invasive facial rejuvenation & lifting technology

Elaine of *Clinique Matrice* in Brisbane is going to make this innovative treatment available at the Bracken Ridge surgery for your convenience. She has over 30 years experience in the industry and is a highly trained HIFU specialist.
